

ZBT Parking Contract

_____, known as "Tenant," agrees to enter into this contract with Alpha Mu Corps, known as "ZBT" on _____ and to abide by this contract until _____.

This agreement is based on the following provisions:

- **Costs and attorneys' fees.** In the event of a legal dispute, the party that loses must pay the winning party's legal fees.
- **Arbitration.** Any disputes about the contract must be resolved through arbitration proceedings, not in a lawsuit.
- **Assignment.** This affects the ability of the parties to sell or transfer their rights under the agreement to another party.
- **Liability.** ZBT is not responsible for any damage or theft that may occur to car.

Furthermore the Tenant agrees:

- Pay _____ to ZBT and to pay said amount immediately after the agreement of this contract.
- Notify ZBT of the vehicle information of the car that will most commonly be parked in ZBT's lot.
- Notify ZBT if the vehicle you are parking is not the vehicle most commonly parked.
- Move car out of parking lot in the event that the parking lot will be used for a community event for the duration of that event.

And that ZBT agrees:

- To keep a spot open for the Tenant to park in.
- Give two weeks notice of any event that will require Tenant to move their car out of the parking lot.
